- I. **Attendance/Cancellation Policy:** It is expected that you attend all scheduled lessons unless ample cancellation is given. Cancellations must be made at least 2 hours prior to the lesson time. Out of courtesy for the teacher's time and schedule, please try to cancel lessons at least 24 hours before the scheduled time.

If you are late for a lesson, please understand that your lesson will still end at the scheduled time to keep on schedule.

If the teacher needs to reschedule a lesson for some reason, you will not be charged and every effort will be made to do so at least 24 hours in advance.

- II. **Payment Policy:** Please pay for your lessons at the first lesson of every month. The instructor will keep an accurate record lessons paid for and lessons received and will inform you when a payment is due.
- III. **Practice Policy:** Please understand that without sufficient practice time, no student can succeed. There is little that a teacher can do during lesson time if a student has not practiced. Please try to maintain a consistent practice schedule in order to have a positive experience taking lessons!

I have read and understand the Private Lesson Contract.
